Re: Crystal Lake Yacht Club *"Wood-Pussy Fleet, 2008 Fleet Captain Report"*

Dear Bill,

As required under *Article 11 - Annual Report* of the *United States WoodPussy Class Association's* (USWPCA) *BY-Laws*, Crystal Lake Yacht Club (CLYC) is reporting herein with its first 2008 year *Fleet Captain Report* to the USWPCA association. The CLYC Wood-Pussy Fleet therefore wishes to share with USWPCA Membership its 2007 sailing results and some 2008 Fleet activities to start in late June.

At present, we have found and/or activated 21 old Wood-Pussy hulls and 1 new hull of which about 7 to 12 were weekly sailed during the different weeks of our Club's 2007 Summer Sailing Season at CLYC. Of the total hulls, three are currently being restored, including one wooden hull with all its original parts. We look forward to the 2008 CLYC Summer Sailing Season, only a short few months away, to bring record Crystal Lake involvement to our starting line. To learn even more about CLYC, we welcome all USWPCA Membership to wander through the various "links" on our Club's WEB-site: <http://www.clyc.net>
